

Introducing YuliApp® Art Gallery

The new standard in digital fan-oriented delivery

Get a free Shop, App and Sales Gallery in 5 minutes

On YuliApp you can sell tickets for your websites or even get full art gallery with membership features for free

Features

The Art Gallery is an extension to standard YuliApp Gallery (you can test it by going to “User / Photo Gallery”).

You can create the unlimited number of folders/albums, and control access to each of them. Some of them might even be public (own website).

Access is based on your “Friends and Connection” Privacy setting. Each setting (like Friend, Family, Customer, etc).

You gain automatically access to full YuliApp messenger with all your members too.

And you thought that your art collection, outtakes and selfies have no value...

How to load the data and start

You can upload the data over phone or website and move them to albums where you want customers to see them.

Other upload methods are

- E-Mail and YuliApp Messenger
- Dropbox Link over E-Mail
- Physical hard-drive or USB Stick to one of our Depots or Shopping fairy (local post prices)

Until June 2018, we do everything for you for free. Send us Dropbox link to your data and E-Mail with details (privacy settings) and we do everything for you for free.

Privacy notice: Data uploaded to

Costs

Same as any other shops on YuliApp, YuliApp Art Gallery is free for the content provider. That means:

- Zero initial costs
- Zero monthly costs
- Zero sale provision on your own sales
- Fixed sale provision on any other sale (1€ per ticket charged over your price)
- Zero ads on your site or gallery (unless you want to get paid)

You as the content provider will not need to pay anything ever.

Costs for the gallery visitor

YuliApp Galleries are meant for lifetime, but any periods are supported. Oriented for huge sale volume at lower price than regular paid sites. You decide price model with up to 4000 variations. We recommend and will market in our documents following naming schema:

- Bronze – Lifetime (limited content)
- Silver – Lifetime (limited content)
- Gold-Lifetime (full content)

YuliApp charges the user 1€ per ticket sale + billing fees (per credit card, PayPal, etc). You always get the full price of products sold on YuliApp.

Payment methods

Following payment methods are accepted

- Cash / Cash on Delivery

- Paypal / Karna (June 2018)
- Major credit cards
- SEPA EU Bank-Wire
- Bank-Wire
- Gift certificates
- Bill on hold for customers with positive rating
- Payment Plan with ~4% interest
- Amazon Gift Certificate

Technical Data

YuliApp® Art Gallery is fully integrated with YuliApp. Users do not need any new login data.

Supported file formats

Jpg, raw, png, gif, zip, pdf, wmv, mp3, wav, mp4 and more.

Size and capacity

Maximum size per single data is 2GB. Your gallery is 7 TB big, with plans to make it unlimited by end of 2018 (while keeping the zero price).

Gallery is ready now, in Beta-version on new features and integration, but fully working and ready to be offered commercially. We will have full release on May 1 2018.

Prints

Gallery have integrated print sales. Users can order your prints on various materials delivered world-wide, for prices you decide. This feature will be introduced in April 2018.

Rights

All rights and copyrights stay with you. Gallery and all it's content is your private property and will not be used outside of your presentation.

Examples and art ambassadors

Ticket Sale:

- <https://yuliapp.com/ProductOffer?Oid=1212>

Public part of the website and free album (click on WEB on top menu)

- <http://YuliApp.com/w/?u=SvvEb4mGAn3UONRZmJjigjU>
